

INDIAN INSTITUTE OF
FASHION TECHNOLOGY

PROSPECTUS

MESSAGE FROM THE DIRECTOR

Dear Student,

Greetings!

On behalf of the students, Faculty members, Staff and Management of Indian Institute of Fashion Technology & IIFT College of Fashion, I take great pride in welcoming you to the IIFT fold. We appreciate your keen interest and aspiration in joining IIFT and assure you a wonderful learning experience and exposure to the amazing world of fashion.

IIFT will enable you to build a strong foundation in fashion education along with a holistic moulding and development of your personality to bring out the best of your potential.

Wishing you a Glamorous Career and a Glorious Future!

Regards

B.VEDHAGIRI

Director

The average statistical growth in the global economy shows that the fashion and retail industries are by far the most stable and profitable sources of revenue. We had recognized this potential over a decade ago and have since then been the pioneers in bringing education in the fashion field to the creative young Bangalore.

After years of inspiring individuals to immerse them in the world of fashion, we have grown not only in size but also in the number of alumni and students who have positively impacted the world around us, who by being entrepreneurs and creative professionals have helped others advance in their careers as well.

We believe, in Indian Institute of Fashion Technology, that the progress of the many together has a greater value than the progress of a single individual. We promote this ideology of teamwork and encourage our students to work on their futures wholeheartedly. This dedication to being the best is what makes an IIFT'ian stronger than the rest.

ACHIEVEMENTS & COLLABORATIONS

At the heart of our Institution lies the vision to give back more to the community than what we gain out of it. This reasoning has motivated us to involve ourselves, over the past decade in multiple social wellness programs in collaboration with the Ministry of Textiles, Govt. Of India, the Regional Office of the Textile Commissioner, Ministry of Small Scale Industries, and Small Industry Service Institute (MSME Development Institute) and The Government of Karnataka, Dept of Handloom & Textiles.

We have various outreach and community development training programs that helps contribute skilled professionals to the Textile and Garment Industries across our country.

We have also had the pleasure in being the first and only Fashion Technology Institute to have been sponsored by the Ministry of Defence, Government of India for resettlement training in Apparel Technology for military personnel.

With the support of the Government of Karnataka we have five Skill Development Centres set up at Belgaum, Bijapur, Chamrajnagar, Hassan and KGF. The initiative was started to provide local manpower with an alternate industry for their livelihood.

IIFT has also established a branch in Indiranagar at Bangalore, imparting Diploma and P.G Diploma programs in Fashion Designing and Boutique Management as well as weekend and short programs.

IIFT entered the Limca Book of Records (2011 Edition) for conducting the largest fashion show with 82 graduating designers showcasing 542 designs in July 2010 at Bangalore. We are also proud to say that IIFT College of Fashion students bagged the 1st and 8th Ranks in the Bangalore University examinations for B.Sc Fashion & Apparel Design & Master of Fashion Student bagged 1st Rank and secured a Gold medal in Karnataka State Women's University.

IIFT COLLEGE OF FASHION

Affiliated to Bangalore University & Recognised by the Govt. of Karnataka

The Bangalore University, Accredited by the NAAC with an 'A' Grade, is one of the highest ranked universities in all of India. Recognized by the University Grants Commission (UGC), Bangalore University offers the best of a result driven education and opportunities to showcase their talents due to the University's proximity to one of the fastest growing economies in the country.

About The Course

PLACEMENTS

The Fashion Industry is a close knit community that believes in retaining and enhancing its recruits. Over the last decade we have made ourselves an integral part of the community that provides the industry with a reliant and intelligent workforce. Indian Institute of Fashion Technology expects its students to not only be employable but also capable of providing employment.

Entrepreneurial activities are widely encouraged and we believe in providing as much encouragement and support that we can from the very beginning. Having a rich alumni association that is compassionate of the younger generations is one of our greatest prides; our students have these opportunities and people at their disposal and can avail our help at any point during and after their time with the institute.

The Industry-Institute Interaction program is an active program which results in a high ratio of placements with IIFT alumni working in leading organizations.

FACILITIES & INFRASTRUCTURE

The Indian Institute of Fashion Technology is housed in a spacious building in the heart of Bangalore city. Students are taught in classrooms with access to audio visual equipment and overhead projectors. We believe that learning should not be limited to just the theoretical and thus at IIFT, the focus is on our students to test out their ideas and make them tangible. We have design labs and a spacious shop floor that is fitted with heavy duty machinery, pattern and cutting tables and computer labs for aiding in design. A well stocked library with the best Fashion and Apparel related books is at the service of our students as and when they require.

EXAMINATIONS

Examinations will be conducted by the Bangalore University. Students who have less than 75% attendance and students who have any Fee arrears including Exam Fees will not be permitted to attend the Examination.

CERTIFICATION

Successful candidates will be issued with the degree of B.Sc Fashion & Apparel Design by the Bangalore University.

NOTES FOR STUDENTS

Fees: All Fees quoted are in Indian Rupees. The College reserves the right to change the fees at anytime. Fees once paid will not be refunded under any circumstances.

Grievance/ Complaints: In case of any grievance / complaints, the students / parents / guardians are welcome to put their grievance in writing and meet the concerned faculty / staff and have it readdressed.

In case they are not satisfied, they have the grievance or complaint escalated to the HOD, Principal, and finally the Director / Chairman. The decision of the Chairman will be final and binding.

Limited Liability: IIFT's liability for compensation payments to the students/parents in any case of omission/commission/ negligence/injury/damage/ grievous injury/stroke/fatality/ and other risk, etc, will be restricted & limited to the fees paid to us on that date for that particular semester.

Arbitration: In case of any dispute or difference arising in respect with the Institution the same shall be settled by a sole arbitrator appointed by IIFT under the provision of the Indian Arbitration and Conciliation Act, 1996, or any amendment, modification or supplemental thereto. The venue of the arbitration proceedings shall be at Bangalore and shall be in English Language. To the extent permitted by law, the arbitrator's award shall be final and binding and the award shall be enforceable in a competent court of law.

Declaration: Students should abide by the rules and regulations of the College and Bangalore University. Student should undertake to study and complete all 6 semesters of the B.Sc FAD course at IIFT College of Fashion if he/she is admitted to the course and should undertake not to cancel his/her admission or discontinue his/her studies at any stage under any circumstances.

Jurisdiction: All disputes are subject to the jurisdiction of Bangalore City Courts only.
